HATASOO'S FLYING HANDICAP

ALBERT-HOODOO FILLY WINS IT IN A DRIVE.

Nash Turner Criticised for His Ride on Blue Girl-Partridge Stakes for Wild Thyme-Grand Opera and Peninsula Specessful-Only One Favorite in Front.

Probably no jockey this year has brought down upon himself so much adverse criticism as did Nash Turner for his ride on W. Whitney's filly Blue Girl in the Flying Handican at three-quarters of a mile, run yesterday Sheepshead Bay. Blue Girl, an added starter, carrying top weight, 124 pounds, was a favorite at 6 to 5 in the opening prices. though she receded to 7 to 5 as A. Feather-stone's Hatasoo, to whom Mr. Whitney's filly gave two pounds, was played down to 9 to 5, Lux Casta and Gay Boy meanwhile attracting widespread attention in the place and show books Seven horses ran and and show books. Seven horses ran and the moment they left the post Shaw let Hata-soo set a rattling pace. Mike Dwyer's Feme-sole, Gay Boy and Lux Casta followed in a bunch, with Blue Girl, who seemed to stop suddenly at the first eighth pole, several lengths back. Turner drew his whip at the turn, where he swung wide into the stretch with the Sir Dixon-Bonnie Blue II filly, but just as she displayed signs of coming on to the leaders she was taken in behind them and was pulled up. Then Turner took her to the outside again and the game filly, full of running, tried again. Hatasoo's lead was quickly reduced to less than a length by Gay Boy, who had been bumped at the last furlong pole Lux Casta was making a bold bid, too, with Blue Girl still coming strongly under a hand ride At the wire Hatasoo won, by three parts of a 'ength, with Gay Boy Riue Girl, Lax Casta and Femesole following heads and necks as named A few jumps from the end Turner applied the whip, but it was too late. The crowd grumbled audibly and Turner was roundly scored. Had he displayed his usual good horsemanship Blus Girl could not have lost, so the turf sharps insisted. Hatasoo's time was 1:13.

The other stake event was the Partridge for two-year-olds, at six furlongs on turf After Bensonhurst had set the pace to the head of the stretch Andrew Miller's Wild Thyme was let down by Lyne and won easily by two lengths in 1:14 3-5. P. J. Dwyer's Merry Acrobat, second choice, took the place

Merry Acrobat, second choice, took the place by a length from the favorite, S. S. Brown's Blue Ribbon.

Old Hutch, a Western colt, was made a strong favorite in the handicap for all ages at smile, but Grand Opera, after running him into the ground at the three-quarter pole, came away in the stretch with a victory by half a length over C. F. Dwyer's Ethics, 7 to 1, with Zoroaster, 15 to 1, three lengths back. The mile was run in 139 2-5.

With twenty maiden two-year-old fillies and galdings in the first race, at five furlongs straights way, it was hard picking. H. T. Griffin's Englets, by His Hickness—Chiffon, was made the favorite backed from 5 to 1, down to 5 to 2. But she was nowhere. Ithan, well backed at 4 to 1, landed the race by a head after leading all the way, Julius Fleischmann's Faft Lass beating S. S. Brown's ipse Dixt for the place by a head. The winner's time was 120 3-5.

minn's Fair Lass baating S. S. Brown's Ipse Dixu for the place by a head. The winner's time was 1013-5 The Western filly Mabel Winn, a hot favorite, galloped home with the fifth race, for three-year-olds, at six furlongs straightaway. There were sixteen starters, the mounts going to apprentices and boys who had not ridden move than two winners. Mabel Winn left the others standing still, as it were, and remped home a winner by five lengths in 133. In a drive for the place, James Galway's Biserta, 12 to 1, beat Matt Byrnes's Flirtineer, 6 to 1, a head, with Paul Creyton and Essene neck and neck less than half a length behind.

In the closing event, at a mile and a quarter on the turf, Past and Besse McCarthy, equal favorites at 7 to 2, failed to even be dangerous and finished well out of the money. Drummond also died away after making the running for a mile. H. T. Grifflu's Peninsula, who was a veritable good thing which the wise ônes goibbled Jip at 5 to 1, after being ridden with consummate skill, by Burns, came up with a rush at the top of the stretch and in a hard drive won by a length from Wild Pirate, backed down to fives. The latter beat Lady Ster, lug, 36 to 1, a head, The time was 2.08 1-5. PIRST B ACE.

The transaction created some comment, inasmuch as a year ago Pat Dunne bought Savable, the Futurity winner, at a sale here for the same price. Joe Uliman also made several purchases at yesterday's sale and the rilinor was afford that he was acting for John A. Faske but Uliman said that the youngsters were by ight for his own use.

It turns out that several checks sent by Secretary John Boden, Jr. to owners who wen purses at the recent Brighton needing did not fall into proper hands. The checks were mailed to the owners, including J. t. Wallace and John Hynes, at Saratowa but somebody else got hold of them and cashed. How many checks went wrong in this way remains to be seen.

Before the races yesterday D. McClinch sold his three-year-old filly Ivernia, by St. Leonards Queenston, to Jere Dunn, price not known.

Judge McDowell has made the suggestion that the barrier be placed closer to the timing post in future so that the races may be started from practically standing instead of flying starts.

There was the hottest kind of a tip in circulation on Isle of Wight in the first race yesterday. It was said that the filly had worked five furlongs in 552 and a select coterie backed her from 100 to 1 down to 20 to 1, but she finished seventeenth. worked five furlongs in 6.52 and a select coterie backed her from 100 to 1 down to 20 to 1, but she fluished seventeenth. In the same race Sontag, backed down to 6 to 1, was second to the bend in the track, close on Ithan's heels, and then stopped. Another good thing, also in the first race, was Black Phua, played down to 20 to 1 from 100.

In the Partridge Stakes, Accfull, who carried the colors of Whitney & Duryes in the Futurity, appeared among the entries in the name of J. E. Madden, who owns a half-interest in him. The colt was scratched. Gay Boy won the Partridge Stakes last year for Clarence H. Mackay, while the coughacres Stable's Dublin won the Flying Handicap.

Starter Pettingill continued to discipline the lockeys yesterday. He fined Burns 100 and Martin \$25 for misconduct at the post in the first race, and put a \$25 tenality on Turner for breaking through the barrier with Blue Girl in the Flying Handicap. If Turner had offended again in this manner he would have been set down for a week under the rules.

On the way to the post for the Partridge Stakes Roxboro acted so wildly that Redfern was compelled to dismount. The filly was placed on the schooling list.

There was a story at the track yesterday to the effect that C. J. Fitzgerald would not start at New Orleans next winter because of his health.

Oliver Green, the Adams Express Company's agent at Havre de Grace, was to liberate the birds for their northern trip. At 9:50 o'clock yesterday morning Curran announced to the members that one of his birds had arrived here. Coart later in the day telegraphed to Hayre de Grace to find out when his birds were let go. The reply was that not one of the forty had been liberated, because they had not arrived there in time. The race was d'elred off. The club has started an investigation to ascertain the truth of the story that the Curran bird was carried no farther than West Hayen, five nules, and held there to be set free at a certain hour.

NEW YORK'S RIFLE VICTORY. Captures Hilton Trophy With Record Score

of 1,138. SEA GIRL Sept. 2 - To New York returns the \$3,000 rifle trophy presented by the late. Judge Henry Hilton and it comes with all its records smashed to smithereens by the mag-nificent marksmanship of Col. Thurston's sharpshooters, who came to Sea Girt this year to wrest the honor from the Washingsharpshoaters, who came to Sea Girt this year to wrest the honor from the Washingtonians and the Jerseymen, who have monopolized the match of late years. The Hilton record before to-day was 1,088 for seven shoots at 200,500 and 600 yards by twelve men. This record the District of Columbia established last year. But New York to-day secred 1,138 and New Jersey kep on to 1,123 while Columbia scored 1,190. Almost perfect conditions prevailed all day. At 500 yards private Adam Hubschmidt of the First Regiment banged a 4 on New York's target and when a few minutes later Major Henry Lohman of the Fourth presented the New Yorkers with a bullseye, Jersey's hope tumbled with the 9 points thrown away. Private W. G. Hudson of the New Jersey Signal Corps and Lient H. H. Leizear of the Sixth Pennsylvania scored 101 on the three ranges. The best totals New York had were the 97 by Sergeant G. W. Lent of the Forty-seventh and Corporal K. K. V. Casey of the Seventy-first Regiment.

For fourth honors Pennsylvania and Massachusotts tied at 1,078. The 1 nited States Marine corps was fifth, with 1073; Ohio sixth, 330; the U. S. A. Seventh 283, and Maryland last with 971. New York won the Hilton last in 1801, with a score of 1005. She also won in 78, with 1014; 79, with 1043, and '81, with 911, The scores follow:

A stroke of adverse luck befel the New Yorks yesterday. It did not last long, and, what is more, the locals were outbatted by the St. kouls men but it cut the New Yorks off at least one run and unaybe cost them the game. In the sixth moing Dunn hit for two bases with one out. McGann followed with a good drive to centre and Dunn, in tarning third base en route for the plate, slipped and fell. This is where old Hard Luck made his entrance, for Dunn would have reached the plate; but not knowing where the ball was be scampered back to third base. With a man on third and one on second. On actual time she to the club is by way of Mineola, Westbury and Wheatley Hills The running time is an hour and a half, the coach pulling out from the club at too'clock in the morning and leaving the hotel for the return run at 2:30. Mr. Pahys was the whip on the inaugural run and he had a full load. Mrs. Fahys had the box seat and the other passengers were Mrs. Howard Maxwell, Jr. Mrs. John G. Elliott, Mr. and Mrs. O. G. Smith, John S. Dickerson, Jr.; Fred C. Thomas and W. Burling Cocks. The dark blue and citron coach looked very gay in its new varnish as it rolled from the clubhouse door, Mr. Fahys having a pair of bays on the wheel and two snapov blacks on the lead. A change of teams war made at Clarence Mackay's corner in Roslyt, a cross lot made up of a gray and bay wheeler and a bay and black leader being put the which brought the coach to the hotel as the hands of the St. Paul's School clock pointed to 12, on time to the minute. Homeward bound the teams were changed at Oid Westbury, at the corner near the places of Foxhall Keene and W. C. Whitney, the first lot of horses being taken up again and the coach swung around the corner to Old Wheatley, then by the Norwich turnpike castward to the Gleu Cove turnpike and the club. The race was started off the Atlantic Yacht Club house at Sea Gate on Monday afternoon the preparatory signal being made at 3 o'clock. The prizes were cups offered by Commodore Tod. The course was to and around Fire Island lightship. The Romer beacon in the lower bay was left on the porthand going out and on the starboard hand returning. The distance sailed was 90 miles. The Endymion led from the start. The yachts were close on the wind as far as the Romer beacon and then the wind backed to the south, so that they had it on the starboard beam. The Endymion was bowling along with her lee roil under and showing a remarkable burst of speed. The Ariadne passed the Thistle and was giving the Eddymion a hard chase and the Thistle was overhauling the Varuna. Soon the wind got so strong that the fore topgallant sail of the Thistle was ciewed up and she was rail down to the water. The Endymion wore around the Fire Island lightship about 7 o'clock on Monday night, with the Ariadne close astern and the Thistle third. The trusader had dropped out of the race before this point was reached.

It was a reach back with the wind on the port beam and a big sea was running. By 9:30 o'clock Sandy Hook light vessel was abeam of the Endymion and then with these wind aff she ran up the Bay to the finishing line. She crossed the line at 11:28, having salled the ninety miles in 8 hours 33 minutes which is at the rate of 12:24 miles an hour.
